Listing of Claims:

Claims 1-13. (*Canceled*)

Claim 14. (*Previously Presented*) A birthday calendar for recording birthdays and other annual dates, comprising:

a single sheet twelve-month chart made of an ink accepting material having vertical and horizontal parallel arranged intersecting lines imprinted thereon forming rows and columns and defining a plurality of memorandum spaces for permanently recording therein birthdays and other annually recurring events;

a transparent protective cover removably disposed over said twelve-month chart; and
a monthly calendar joined to the chart such that the calendar and chart are simultaneously visible, said monthly calendar having imprinted thereon seven parallel vertical rows intersecting seven parallel horizontal columns defining memorandum spaces for removably imprinting birthdays and other monthly events therein as displayed on the chart, the monthly calendar having an erasable surface for reuse from month-to-month, wherein said monthly calendar is made from whiteboard.

Claims 15-17. (*Canceled*)

Claim 18. (New) The birthday calendar according to claim 14, wherein said chart has twenty-five columns intersected by a plurality of rows to define the plurality of memorandum spaces.

Claim 19. (New) The birthday calendar according to claim 18, wherein columns two through twenty-five of the chart are grouped in pairs of adjacent columns, each pair having a first column corresponding to a month and a second column corresponding to a year.

Claim 20. (New) The birthday calendar according to claim 19, wherein the plurality of rows of the chart includes a top row, the first column of each pair of adjacent columns in the top row having indicia therein designating months from January through December displayed therein, the second column of each adjacent pair in the top row having indicia representing the word “year” displayed therein, whereby the top row defines a horizontal legend for the chart .

Claim 21. (New) The birthday calendar according to claim 20, wherein said twenty-five columns includes a first column, the first column having indicia displayed therein representing numbers one through thirty-one in separate rows, whereby the first column defines a vertical legend for the chart, an intersection of one of the rows with one of the grouped pairs of adjacent columns defining the memorandum space for recording an event and a year in which the event occurred in order to permanently record the month, day and year of the event.
